Subject: The "Case"

The nine States and the Dist. of Colombia would be much better off starting to tend to their own increasing economic woes and stop Beating the "Help the Consumer Drum" for a cause which was dubious from the onset.

Don't we have enough Economic Behemoths" gasping for air without putting another to the test?

If I was Bill Gates I would move my Corporate Headquarters off shore in a show of Disgust"

A concerned citizen-consumer
